WHAT IS WEST COAST SWING?

West Coast Swing is a sophisticated, high styled evolution of the Lindy or Jitterbug which became popular during World War II. In order to conserve space on the crowded ballroom floors of that era, the dancers started using a "slot" pattern instead of the circular one used in the East Coast style of swing dancing.

West Coast Swing is done in a 6 or 8-count rhythm, with a unique quality that allows partners the choice of individual technique, styling and personal expression. Danced to a wide variety of music-including blues and contemporary-it is both fun and challenging.

RESDC supports all swing dancing but puts particular emphasis on providing dancers with a great place to West Coast Swing.

WHO ARE WE?

Founded in 1986, RESDC is a not-for-profit, charitable organization whose main purpose is to promote and preserve swing dancing in the North Bay. Even though swing includes Lindy, Shag, Jitterbug, Balboa, East Coast Swing and others, this club primarily promotes West Coast Swing, the California State Dance.

Our monthly dances are generally held on the 4th Saturday of the month from 7:00 to 11pm at Odd Fellows Hall, 545 Pacific Ave, Santa Rosa.
